Admission Agreement for 2010 Summer Program

St. Edward's Preschool offers a unique "Summer Only" Enrollment Program that features the flexibility of affordable weekly choices, camp-style. Each week includes Super themes, "BIG" events, and activities with a Christian spin. Every Wednesday we will host a "mini VBS" & water play day, just to round out the fun. Choose the convenience of just a few weeks, or all summer long (*discount rate available for all 13 weeks*). Our program is a perfect choice for Preschoolers and Kindergarteners who want a summer camp experience. Both morning and full day choices are available in all classes. Program is available for ages 2.5 years (potty training available for an additional fee) through entry to 1st grade. Our hours are 7am to 6pm. The morning session ends at 11:30am, and the extended care program is available until 6pm.
